

## ***Vote by Mail Campaign***

**Hernando Democratic Executive Committee Chairman Steve Zeledon** is working tirelessly to establish a program that automatically calls Democratic voters in Hernando County and offers them an opportunity to be connected to the Hernando County Supervisor of Elections office. Once the call goes through, voters can register their household to Vote by Mail. This will reduce voter suppression and increase the Democratic vote in the next election. We are blazing new trails with this program, and other counties in Florida are eager to follow our lead.

**Your contribution will help make the Vote by Mail Program possible. We need \$2000 to fund this innovative and potentially powerful strategy to motivate voters.** This sum will cover the initial costs of establishing the program including software, telephone minutes and other expenses.
